

**Informational Meeting re: Neighborhood Watch  
Monday, April 9, 2018 @ 6:30 p.m.  
Lomita City Hall  
2<sup>nd</sup> Floor Assembly Room**

Find Out More About Neighborhood Watch and How You Can Help Protect Your Neighborhood!

Are you interested in reducing crime and uniting your community? The City of Lomita's Neighborhood Watch Programs embrace and strengthen public safety in our community by watching out for each other's homes or working together to solve community problems. But Neighborhood Watch also brings the power of organization and the ability to focus energy and resources. Stopping crime – particularly crime involving residential neighborhoods – is the number one goal of our City, and it takes a partnership between our law enforcement and private citizens. The impact on crime prevention by law enforcement alone is minimal when compared with the power of private citizens working with law enforcement and with each other. When Neighborhood Watch is incorporated into the overall public safety programs of our community, burglary and related offenses decrease dramatically.

Find out more about neighborhood watch at an information meeting on **Monday, April 9, 2018 @ 6:30 p.m. at Lomita City Hall, 24300 Narbonne Avenue.** A deputy from the Los Angeles County Sheriff's Department will be on-hand to walk you through the process of forming your own neighborhood watch group and developing an action and communication plan once your group is formed.

**Some of the benefits of starting a Watch Group include:**

- Partnerships with Law Enforcement and your Neighbors
- Reduction in Crime
- A More Secure and Better Prepared Hometown
- A More United Community
- Improved Communications

**For more information on The City of Lomita's Neighborhood Watch Programs, or how you can get involved, please contact**

**Deputy John Despot at (310) 891-3240.**
