

Lomita's Saving Water!

The City of Lomita has adopted a new Water Conservation Ordinance.

EFFECTIVE APRIL 1, 2009:

- You may only water your lawn between **8 pm and 10 am.**
- Sidewalks, driveways and other non-pervious areas may only be cleaned or washed using a hand-held bucket or a waterbroom.
- Vehicles may only be washed using a hand-held bucket and a hose equipped with a positive action quick release shut off nozzle.
- Lomita restaurants will only serve water upon request.
- Old plumbing fixtures must be replaced with new water conserving fixtures when a property is:
 - sold;
 - has a residential addition over 250 square feet;
 - or has a commercial improvement with a valuation over \$20,000.
