

## **Eat Local. Shop Local. Support Local.**

In Lomita, we think everyday should be an opportunity to eat local, shop local and support local.

Lomita has no shortage of options for local gift ideas to give to a friend or loved one all year long – during holidays, birthdays, anniversaries, graduations, or just because. And it's a great way to support local businesses during an especially rough year. From locally made pastries and beer to various retail shops and restaurants, Lomita has a wide selection of ideas and items to gift.

There are ample and unique shopping opportunities to choose from in our small City, from delicious pastries for your co-workers from one of our local bakeries, athletic gear for the sports fans in your family, gift cards to nearby restaurants for your neighbors, and hobby and toy shops to bust boredom and boost happiness during quarantine.....many specialty businesses you may not know are located right here in Lomita.

Why does it matter? Small businesses are devastated by the economic impacts of COVID-19 and local retail shops and restaurants are counting on a boost from holiday sales. In fact, some business owners say the next month could make the difference between staying open or closing for good. Your purchases will be used to sustain your favorite shops so they can come out of this pandemic with their doors still open, maintaining jobs, supporting the local economy and contributing to the unique character of Lomita.

The reality is many businesses are hurting. Grants and assistance programs that have helped keep them stay afloat only go so far. The best way to support them, and Lomita as a whole, is to choose to shop locally. Seek out the mom-and-pop brick and mortar stores in the city when making your purchases!

For ideas on how to shop small and local when it comes to your gifts and needs this year, see below for a list of retail and food establishments in our City. Thank you for shopping Lomita first!
