

PAVEMENT COATINGS Co.

10240 San Sevaine Way, Mira Loma, CA. 91752, 714 826-3011, (fax) 714 826-3129
Contractor's License Number 303609

Dear Resident,

The City of Lomita has contracted with Pavement Coatings Co. to make street improvements in your neighborhood from September 15, 2020 to November 12, 2020. The next phase of work will consist of applying slurry seal and cape seal on various streets which is scheduled to occur during the week of **Monday, October 5, 2020 to Friday, October 9, 2020.**

During the Slurry Seal application crews will need **full access** to the street. Your street will be closed to vehicular traffic for several hours, between 7:00 a.m. to 5:00 p.m. except for emergency vehicles.

On-street parking will therefore be prohibited between 7:00 a.m. and 5:00 a.m. Any car parked once construction has begun, is subject to being towed. **Two days prior to the slurry/cape seal application, you will receive a "Door Hanger" notice and "No Parking" signs will be placed to define the work areas for each day.**

Because driving on the street will be prohibited during the closure, please park on an adjacent non-posted street prior to 7:00 a.m. if you plan to use your car. Should you be out of town during this time, please plan to park your vehicle(s) off the street. **Vehicles left parked on the street will be towed at owner's expense.**

For Residents living on the streets listed below, the trash collection schedule has been modified for the days of construction. Trash will be picked up by 6:00 a.m. Please roll carts into the street and place them against the curb on the evening before Trash Pick-up days or on the mornings of the Trash Pick-up days as trash collection will start at 6:00 a.m.

Streets Impacted by modified trash pick-up schedule:

Trash Pick-up Day	<u>Monday, October 5, 2020 starting at 6 a.m.</u>	
<u>STREET</u>	<u>FROM</u>	<u>TO</u>
247 th Street	Pennsylvania Avenue	Cypress Street
Eshelman Avenue	Lomita Park Place	Lomita Boulevard

PAVEMENT COATINGS Co.

10240 San Sevaine Way, Mira Loma, CA. 91752, 714 826-3011, (fax) 714 826-3129
Contractor's License Number 303609

Trash Pick-up Day	<u>Wednesday, October 7, 2020 starting at 6 a.m.</u>	
<u>STREET</u>	<u>FROM</u>	<u>TO</u>
Leola Street	Walnut Street	Eastern Street End
Eleanor Place	Walnut Street	Western Street End
Cypress Street	248th Street	250th Street

If you have any questions or concerns during construction **or need to make specific arrangements regarding driveway access, please contact Pavement Coatings Co. Superintendent directly at: 951-941-9080.**

The City's Resident Engineer and Inspector will be on site daily to monitor construction activities and can be reached at 949-599-4056.

For a few days following the resurfacing, please drive at reduced speeds and avoid sharp turning movement so as to allow the new surface to "set". Please avoid turning your wheels while your vehicle is not moving, the twisting of the tires can tear the new surface.

The contractor will return on the following week, to replace striping and STOP bars/legends throughout the City. The striping work will take roughly two weeks.

The City and Pavement Coatings Co. are committed to working with you to help minimize the impact of the construction on your daily activities.

Thank you for your patience and understanding while we work to improve the City of Lomita!
