LOMITA DIAL-A-RIDE PROGRAM

24300 Narbonne Ave.
Lomita, CA 90717
(310) 325-7110

► What is Dial-A-Ride?

The City is sponsoring a taxi cab program for senior and disabled residents of Lomita. The Dial-A-Ride program has been established in cooperation with Administrative Services CO-OP (Cab Company).

Service is provided on a round-the-clock basis to and from any point within the service area and to and from any of the seven satellite points listed on the back.

► How Dial-A-Ride Works

ARE YOU ELIGIBLE?

Residents 65 years of age and older or disabled persons of any age are eligible. At time of application, you must show proof of Lomita residency, age, and disability. Identification from the DMV, a Medicare card, or a doctor's certificate is considered appropriate identification.

If Disabled- You are eligible if you have an impairment or disability that prevents you from driving a motor vehicle. Disabled passengers **MUST** be able to transfer on their own and have a collapsible wheelchair, or other assisting device, weighing less than 25 pounds.

WHERE CAN YOU GO?

The service area is limited to trips originating and terminating in the area between Hawthorne Blvd and Vermont Ave and between Sepulveda Blvd and Pacific Coast Hwy and where the City boundary crosses over the highway. Anything past the service area designated requires an additional fee.

WHAT IS THE COST?

Each one-way trip costs \$1.00.

HOW AND WHERE TO PURCHASE TRIPS

Each participant is eligible to a maximum of twenty (20) one-way trips per month. When trips are purchased, they are credited to a personalized Dial-A-Ride Swipe Card. Trips can be purchased at City Hall, or through the mail for qualified participants.

► To Dial-A-Ride

- Call the new number designated for Lomita Dial-A-Ride: **1-866-424-1678**. Give your name, location, destination, and the number of passengers in your party.
- When the taxi arrives, present your swipe card to the taxi driver, and enjoy the ride! Once you've reached your destination, your card will be swiped again to end your trip. You will always receive a receipt indicating the balance on your card at the end of each ride.
- Trips made outside the service area (excluding satellite points) which are not covered under the program will be charged as follows:

The driver will take the patron to the service area limit, pull over and swipe the card to end the Dial-a-Ride trip. The meter will be reset and the patron will be required to pay by cash or with their own personal credit card any charges from the service area limit to their destination.

The metered fare to the destination that the participant will be required to pay, which is not covered by the swipe card will also include a trip origination fee (**minimum \$2.85**).

The same rules apply for pick-ups originating from outside the service area with a destination inside the service area.

- Drivers **will not** assist with packages in excess of 25 pounds due to State Law.
- Drivers **will not** wait for passengers for continuation or return trips.
- Tipping of drivers is not required, expected or encouraged.

Rules for Dial-A-Ride

- All participants are required to have Picture ID and present with Swipe Card to Cab Driver for all rides.
- Only eligible residents of the City of Lomita may participate.
- The City reserves the right to limit the number of tickets purchased per month.
 - Each trip purchased for \$1.00 allows the rider a one-way trip from one pick-up point to one destination.
 - Be prompt at pick-up location.
 - Each participant will be issued their own personal swipe card. Cards may not be shared under any circumstances.
- Lost or stolen swipe cards must be reported immediately to the Community Services Dept. We will cancel your card and order a new one which will take 7-10 business days.
- The availability of taxi cabs determine how soon your ride arrives.
- Any violation of the Dial-A-Ride program rules will result in termination of ridership privileges.
