Dear Sister City Friend:

Lomita Sister City Association is a non-profit corporation with the specific purpose and objective to promote understanding and friendship between the people of Lomita and those of its sister city – Takaishi, Osaka, Japan. We accomplish this through promoting student exchange programs that are educational, cultural, social, economic, and governmental. We offer students an opportunity to learn first-hand about the culture, customs, history, and way of life of another ethnic group by living in their homes, as a member of their family. We also extend hospitality to foreign visitors and students by promoting cultural and educational programs, and provide an environment for social contact between residents of Lomita and visitors such as students from other sister cities.

With your generous donations and support, every other year since 1981, LSCA has sent deserving students to Takaishi, Japan for three weeks. On the alternating years, we have hosted students from Takaishi, Japan. Students always come back refreshed with new knowledge about the Japanese culture, customs, etc. It is truly a wonderful and memorable cultural experience for all of the students and their host families, as well as a way of establishing lifetime friendships.

At this time we would like to ask you and/or your company to become one of the supporters for Lomita Sister City Association. If you would like to come and find out more about our association, you are welcome to join us at our monthly meetings. Our meetings are held **each third Thursday at 7:00pm** at Lomita City Hall. There are no monthly meetings held during December. Please come and join us!

Please use the tear-off below for either joining our organization or for a tax deductible donation. Thank you for your support.

If you have questions, please feel free to call (310)539-1399.
