The Lomita Railroad Museum offers a beautiful, secluded, and secure park setting that will make your celebration memorable. Commemorate special events such as birthday parties, family reunions, weddings, and business events here! The Irene Lewis Park (next door to the museum) or the Annex Park (across the street from the museum) are both part of the Lomita Railroad Museum complex and available to rent.

The museum is a beautifully recreated turn-of-the-century passenger depot and is filled with authentic railroad memorabilia. Climb aboard the 1902 Southern Pacific Mogul steam locomotive and the 1910 Union Pacific caboose on the station platform and experience the grand era of steam railroading.

You may bring food, drinks, tables, chairs, BBQ grill, banners, and balloons to enjoy either park. The Annex Park has a 1923 Union Oil tank car and a 1913 Southern Pacific wooden boxcar, while the Irene Lewis Park displays a 1949 all-metal Santa Fe caboose.

The gift shop will be open and offers railroad related items starting at just 25¢. Bathroom facilities are available inside.

The museum is located in a quiet residential area, just one city block east of Narbonne Avenue. Parking at the museum is free, with additional street parking nearby.
